

August 2014

Welcome...

... to our newsletter with an update following our last production, Guys and Dolls.

CHAIR – KIM HITCHIN

First of all we would like to announce the extremely good news that Kim Hitchin has agreed to take the role of Chair within our committee. This position has been vacant for some time and Kim has stepped into the breach with all guns blazing, to ensure we put plans in place for the next couple of years. Thank you Kim! So here is what we have so far.

CABARET – NEW DATE!

You will probably have realised that our initial date of November 2014 will not be feasible, due to time and personnel restraints.

This has been re-arranged, still at Ossett Town Hall, for **mid-January 2015**. We are having an initial meet at Lupset Club on Monday 1st September, where we can fill you in with all the detail we have, and ease into rehearsals.

42nd STREET – JUNE 2015

Crigg have an application in process to do this musical in the middle of next year. We are all excited about reprising 42nd Street as it's a show we all loved, but also many years ago since we did it!

We already have in place our director, musical director and choreographers,

and also booking at Ossett Town Hall.

Auditions will be well in advance of our show week in January, to enable us to get underway shortly after that one – no huge break there!

2016

Your committee are well on the way to sorting out this year also.

Tentative enquiries have shown that we should be able to apply for the Sister Act licence during 2016.

For our second show that year we have exciting plans, which will be revealed shortly as soon as we have dotted the I's and crossed the T's – you will definitely like this one!

1st NOVEMBER – BACK TO THE FORTIES WITH KAREN CLEGG

Most of you will have seen the details of this special evening that Kim and Sharon are organising. They have managed to secure Karen Clegg, who as it happens, was in 42nd Street in the West End.

The evening promises to be great fun and you will be entertained, can dance, and will also be fed – what more could you want? At £8 it's a bargain and you can organise tickets from any committee member, or by calling 07927 685010. As with all events like this, it's the people who make the night so please come and join us.

SEE YOU 1ST SEPTEMBER, 7.30, LUPSET!
