Hello again...

... and welcome to our July update for upcoming social, concerts and shows.

SHOUT, THE MOD MUSICAL – 15TH TO 18TH JUNE

A huge swinging 60's success. Credit to all in the production team for putting on such an entertaining show full of laughter, tears and song and dance.

We were joined back stage on the Friday evening by The Mayor and Mayoress of Wakefield. They thoroughly enjoyed the evening and commented on the costumes and songs and how those were the days from the 60's!
